### **Latex-ite SuperCushion - Mubadala World Tennis Championship**

Raymond I would personally like to thank you for providing the Latex-ite SuperCushion court surface which was used on our centre courts and warm up courts for the Mubadala World Tennis Championship which took place in our International Tennis Centre on the 29<sup>th</sup>, 30<sup>th</sup> and 31<sup>st</sup> of December 2011.

As you know the event hosts 6 of the worlds top 10 players and it is essential that the International Tennis Complex offers world class facilities with the major focus being on our playing surfaces.

This was the first year we used the Latex-ite SuperCushion surface and from a venue perspective we have been really pleased at how professional your team were in the preparation and application of the new surface.

Feedback from IMG the event organisers has also been very positive and they have indicated that the players were very happy with the surface.

Once again thank you for your support with this event and we look forward to working with you and your team on a number of projects during 2012.

Kind Regards

Barry Bremner  
Director of Business & Corporate Services
